Well, hello, there  
My, it's been a long  
Long time

How am I doing? You really want to know?  
Oh, I guess I'm  
Doing fine

It's been so long now  
But it seems like  
It was only  
Yesterday

Ain't it funny?  
It's so funny how time  
Can slip right on away

I want to ask you a question is it alright?  
How's your new love?  
I wonder can you truthly say  
He's doing fine

You know I heard something the other day  
I heard you told him  
That you were going to love him  
Till the end of time

Well, that's the same thing  
That you told me  
It seems like  
Just the other day

Ain't it funny  
It's so funny how time  
Can just slip right on away

I hate to leave you baby  
But I've gotta go now  
Oh, I guess I'll see you  
Somewhere around

But here's one thing you just can't tell

You don't know when, though  
You never can tell when Joe Hinton  
Will come back in town

But here's what I want you to do  
Oh, please remember  
What I told you  
That in time, in time  
You're gonna pay

Ain't it funny  
It's funny how time...  
Slips...  
A... way...
