Come on you people get your dancing shoes on
Reds and yellow and pinks and blues on

Too late, too late
To stay home and sit around

Purple leopard skin and see-through plastic
Whatever you want, but just make it drastic

Too late, too late
To stay home and sit around

What you wanna bet
We ain't started yet
Baby, stick around
Baby, stick around

Pushin' and shopin' and sweat wet leather
Up and down we go chained together

Too late, too late
To stay home and sit around

Somebody tellin' me the latest scandals
Somebody steppin' on my plastic sandals

Too late, too late
To stay home and sit around

What you wanna bet
We ain't started yet
Baby, stick around
Baby, stick around

Too late, too late
To stay home and sit around

What you wanna bet
We ain't started yet
Baby, stick around
Baby, stick around
