Don't you feel like trying something new?
Don't you feel like breaking out
Or breaking us in two?

You don't do the things, that I do
You want to do things, I can't do
Always something breaking us in two

You and I could never live alone
But don't you feel like breaking out
Just one day on your own

Why does, what I'm saying hurt you?
I didn't say that, we were through
Always something breaking us in two

They say two hearts should beat as one for us
We'll fight it out to see it through
I say that won't be too much fun for us
Though it's oh, so nice to get advice
It's oh, so hard to do

Could we be much closer if we tried?
We could stay at home and stare
Into each other's eyes

Maybe, we could last an hour
Maybe then, we'd see right through
Always something breaking us in two

They say two hearts should beat as one for us
We'll fight it out to see it through
I say that won't be too much fun for us
Though it's oh, so nice to get advice
It's oh, so hard to do

Could we be much closer if we tried?
We could stay at home and stare
Into each other's eyes

Maybe, we could last an hour
Maybe then, we'd see right through

Always something breaking us in two
Always something breaking us in two
