Discipline

Discipline, discipline  
Discipline can stop my hunger  
Discipline can quench my thirst  
Discipline can make me stronger  
If it doesn't kill me first

I'm gonna pump it up  
Gotta keep my body from falling apart  
I got to keep it up

Discipline

Discipline, discipline  
Discipline can stop my hunger  
Discipline can quench my thirst  
Discipline can make me stronger  
If it doesn't kill me first

I'm gonna tie you up  
Gonna keep you begging for the key to my heart  
I got to keep it up

But tonight I'm gonna be my only slave  
Put on my CD of the sound of waves  
And drift away 'til another day

Discipline

Discipline, discipline  
Discipline can stop my hunger  
Discipline can quench my thirst  
Discipline can make me stronger  
If it doesn't kill me first

Discipline can stop my hunger  
Discipline can quench my thirst  
Discipline can make me stronger  
If it doesn't kill me first

Discipline can stop my hunger

Discipline can quench my thirst  
Discipline can make me stronger  
If it doesn't kill me first

Discipline can stop
