Okay, let me tell you 'bout  
Some of the things I'm going through  
I know you think that you know  
But how do you know that what you know is true  
But well, maybe it's time for gettin' out of line  
What it seems like the done thing to do

Some people get crazy  
Some people get lazy  
Some people get hazy  
Some people get out

Take me away, I said take me away  
I don't wanna be like that  
Yeah, take me away, I said take me away  
And I don't wanna be like that

Don't wanna be like that  
Don't wanna be like that  
Don't wanna be like that  
Don't wanna be like that

Now the cocaine club says welcome  
You're in college now not school  
But I'm sorry to say that I'm going out to work  
While you're going to the swimmin' pool  
But where the L.A. sun can turn your brains  
To scrambled eggs it's true

Some people get crazy  
Some people get lazy  
Some people get hazy  
Some people get out

Take me away, I said take me away  
And I don't wanna be like that  
Take me away, I said take me away  
I said, I don't wanna be like that

Don't wanna be like that  
Don't wanna be like that  
Don't wanna be like that

Don't wanna be like that

Some people think that they know about some girls  
Well, some people think they're cool  
And some girls think they know about me  
Some girls think I'm some fool

And American girls that put their tongue in your ear  
When they talk on the telephone  
And the stars only come out at night  
When the press and photographers moan and groan

And the Playboy centerfold leaves me cold  
And that ain't 'cause I'm a fag  
So you playboys can just go play with yourself  
That's your style, 'cause that's a drag

You get crazy  
Get crazy  
I just wanna get  
Just wanna get out, hey

Take me away, I said take me away  
And I don't wanna be like that  
Yeah, take me away, I said take me away  
And I don't wanna be like that

Yeah, take me away, I said take me away  
I said, I don't wanna be like that  
Take me away, I said take me away  
I said, I don't wanna be like that

Don't wanna be like that  
Don't wanna be like that  
Don't wanna be like that  
Don't wanna be like that
