Is there anybody gone to listen to my story
All about the girl who came to stay?
She's the kind of girl you want so much, it makes you
sorry;
Still, you don't regret a single day.
Ah girl! Girl!

She's the kind of girl who puts you down
When friends are there, you feel a fool.
Didididi..
When you say she's looking good, she acts as if it's
understood.
She's cool, cool, cool, cool,
Girl! Girl! [Was she]

When I think of all the times I've tried to leave her
She will turn to me and start to cry;
And she promises the earth to me and I believe her.
After all this times I don't know why.
Ah, girl! Girl!

She's the kind of girl who puts you down
When friends are there, you feel a fool.
When you say she's looking good, she acts as if it's
understood.
She's cool, cool, cool, cool
Girl! Girl!

Was she told when she was young the fame would lead
to pleasure?
Did she understand it when they said
That a man must break his back to earn his day of
leisure?
Will she still believe it when he's dead?
Ah girl! Girl! Girl!
