We hear you, we see it
You do it like you wanna be it
Come with a guise, we guarantee it

Get in the line and be a good bad boy
Get in the line and be a good bad boy

We got it, we're loaded
And we can write you like a sonnet
But you can't fight us if you wanted

Get in the line and be a good bad boy
Get in the line and be a good bad boy

You're our kind of rebel
It's your kind of crime
'Cause everyone gets one chance

So scowl for the camera
But don't howl at the moon
Be a good bad boy

We move it, we shake it
And we're not askin' you to fake it
But we're not just about to take it

Get in the line and be a good bad boy
Get in the line and be a good bad boy

C'mon now, the first swing
We gotta get your body workin'
You're gonna sweat until you're hurting

Get in the line and be a good bad boy
Get in the line and be a good bad boy

We'll take out some clothes and
We'll take out some crowns
And then we can start to dance

So snarl for the camera
But don't lodge it too soon

Be a good bad boy

So pout for the camera
But don't shout out the tune
Be a good bad boy

Get in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy

Get in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy
