I've just been to see my best friend  
He's found another girl  
Says she's just about the best thing  
In the whole damn world

And he says, "Can't you see  
what the little lady's done for me"  
Says it like he thinks I'm blind  
But the things that you see  
Ain't necessarily the things you can find

Happy loving couples make it look so easy  
Happy loving couples always talk so kind  
Till the time that I can do my dancing with a partner  
Those happy couples ain't no friends of mine

People say I'm too damn fussy  
When it comes to girls  
Happy couples say  
I must live in a lonely world

Wanna be, wanna really be  
What my friends pretend to be  
Be it in my own good time  
Being kind to myself  
Till I become one of two of a kind

But those happy loving couples make it look so easy  
Happy loving couples always talk so kind  
Till the time that I can do my dancing with a partner  
Those happy couples ain't no friends of mine

You ain't no friends of mine  
You ain't no friends of mine

You know what I mean happy loving couples  
In matching [Incomprehensible] polo-neck sweaters  
Reading 'Ideal Homes' magazine, yeah

Wanna be, wanna really be  
What my friends pretends to be  
Be it in my own good time

Being kind to myself  
Till I become one of two of a kind

But those happy loving couples make it look so easy  
Happy loving couples always talk so kind  
Until the time that I can do my dancing with a partner  
Those happy couples ain't no friends of mine

You ain't no friends of mine  
You ain't no friends of mine  
You ain't no friends of mine

You ain't no friends of mine  
You ain't no friends of mine  
You ain't no friends of mine

Right, that's enough
