Ex-friends, ex-lovers and enemies
I've got your cases in front of me today
All sewn up
Ex-bosses you never let me be
I got your names and your numbers filed away
I've grown up

See me, hear me
Don't you know you can't get near me
You can only hope to hear me
On your radio, your radio, yea
You're gonna hear me on your radio, radio, your radio,
yea
You're gonna hear me on your radio
You're gonna hear me on your radio
You're gonna hear me on your radio

Ex-teachers still coming through to me
Tough kids don't stop trying to kick me to the ground
I don't care
Go on just do what you do to me
You look so sick when you're pushing me around
You're nowhere

See me, hear me
Don't you know you can't get near me
You can only hope to hear me
On your radio, your radio, yea
You're gonna hear me on your radio, radio, your radio,
yea
You're gonna hear me on your radio
You're gonna hear me on your radio
You're gonna hear me on your radio

You can't turn on, turn off
And you can't turn on, turn off

Ex-teachers still coming through to me
Tough kids don't stop trying to kick me to the ground
I don't care
Go on just do what you do to me
You look so sick when you're pushing me around

You're nowhere

See me, hear me

Don't you know you can't get near me

You can only hope to hear me

On your radio, your radio, yea

You're gonna hear me on your radio, radio, your radio,
yea

You're gonna hear me on your radio

You're gonna hear me on your radio

You're gonna hear me on your radi, radio

Radio, radio

You're gonna hear me on your radio

Radio, radio

You're gonna hear me on your radio

You're gonna hear me on your radio

You're gonna hear me on your radio

You can't turn on, turn off
