Tell me one more time as I hold your hand, that you
don't love me

Tell me one more time as teardrops start to fall
Shout it to me and I'll shout it to the skies above me
That there was nothing after all

Baby, baby, tell me that you never wanted my lovin'
Baby, baby, tell me that you never, tell me, tell me
One more time, one more time, say you're leavin', say
goodbye
One more time, one more time, say you're leavin', say
goodbye

Tell me one more time, we never had a thing in
common
Tell me one more time as you turn and face the wall
Tell me I should know you never were my kind of
woman
And tell me we were fools to fall

Baby, baby, tell me that you never wanted my lovin'
Baby, baby, tell me that you never, tell me, tell me
One more time, one more time, say you're leavin', say
goodbye
One more time, one more time, say you're leavin', say
goodbye

Tell me one more time your tears are only sad
confusion
And tell me it's just been so long and that is all
Tell me one more time that love was only my illusion
You never answered to my call

Baby, baby, tell me that you never wanted my lovin'
Baby, baby, tell me that you never, tell me, tell me
One more time, one more time, say you're leavin', say
goodbye
One more time, one more time, say you're leavin', say
goodbye
One more time, one more time, say you're leavin', say
goodbye
One more time
