Now...

The mist across the window hides the lines
But nothing hides the colour of the lights that shine
Electricity so fine
Look and dry your eyes

We...

So tired of all the darkness in our lives
With no more angry words to say
Can come alive
Get into a car and drive
To the other side

Me babe, steppin out
Into the night
Into the light
You babe, steppin out
Into the night
Into the light

We...

Are young but getting old before our time
We'll leave the T.V. and the radio behind
Don't you wonder what we'll find
Steppin out tonight

You...

Can dress in pink and blue just like a child
And in a yellow taxi turn to me and smile
We'll be there in just a while
If you follow me

Me babe, steppin out
Into the night
Into the light
You babe, steppin out
Into the night
Into the light
