Boy, you listen to your old Pappy
Yeah, Pappy
And stop drinking so much
I'm, I'm ain't been doing so much drinking, Pappy
Shut up, boy! You drink all day and you drink all night
And son you know that, that ain't right

Oh Pappy, you just give me a chance, I, I can, I
Shut up, boy! Boy, you're lookin' thin as a twig
I know that
Look liked your dear old Pappy you're about to blow
your wig
Oh I'm gonna blow my wig, Pappy

What's the use of getting sober
When you're gonna get drunk again
Oh, Sam done something fine
When he bought that good whiskey, beer and wine

I love my whiskey and I love my gin
Every time you see me I'm in my sin
So what's the use of getting sober
When you're gonna get drunk again

I went out last night about half past one
Thought I'd whoop it up a little and have some fun
I got me a half pint about half past two
Mmm, mmm, the way I was feeling you know what I
wanna do

Got me a pint about half past four
Felt so good, went out and got me some more
Got me a quart about half past five
Boy, that was so nice didn't know if I was dead or alive

So what's the use of getting sober
If you're gonna get drunk again
Oh, Sam done something fine
When he bought that good whiskey, beer and wine

I love my whiskey and I love my gin
Every time you see me I'm in my sin

So what's the use of getting sober
When you're gonna get drunk again

Well I've been thinking
But I keep drinking
I guess I'm 'bout lose my mind
