Two in the morning there's a drink in my hand  
(Dirt, dirt, dirty Martini)  
Nothing moving in this place but sweat  
I heard a rumor 'bout a Cajun band  
(Dirt, dirt, dirty Martini)  
The bartender says, "It's early yet"  
Wait the bartender says, "It's early yet"

Too many olives in too much gin  
Steppin' out in the City of Sin  
Too much dirty rice and too many beans  
Gettin' down and dirty down in New Orleans  
Gettin' down and dirty down in New Orleans

Have another, I believe I will  
(Dirt, dirt, dirty Martini)  
And you can stir it with a dirty spoon  
There's a prescription and I've gotta fill  
(Dirt, dirt, dirty Martini)  
And the Doctor's gonna be here soon  
Jimmy says, "The Doctor's gonna be here soon"

Too many olives in too much gin  
Steppin' out in the City of Sin  
Too much dirty rice and too many beans  
Gettin' down and dirty down in New Orleans  
Gettin' down and dirty down in New Orleans

Too many olives in too much gin  
Steppin' out in the City of Sin  
Too much dirty rice and too many beans  
Gettin' down and dirty down in New Orleans  
Gettin' down and dirty down in New Orleans

Hey, hey  
(Dirt, dirt, dirty Martini)  
(Dirt, dirt, dirty Martini)  
Stoned in the dirtiest clothes  
(Dirt, dirt, dirty Martini)  
(Dirt, dirt, dirty Martini)  
(Dirt, dirt, dirty Martini)
