Okay let me tell you 'bout some of the things I'm goin'
through

I know you think that you know but how do you know

That what you know is true

Well, maybe it's time for gettin' out of line

Well, it seems like the done thing to do

Some people get crazy

Some people get lazy

Some people get hazy

Some people get out

Take me away, I said, take me away

I don't wanna be like that

Hey, hey take me away, I said, take me away

I don't wanna be like that

Don't wanna be like that

Don't wanna be like that

Don't wanna be like that

Don't wanna be like that

Now the cocaine club says, "Welcome"

You're in college now not in school

But I'm sorry to say that I'm goin' out to work

While you're goin' to the swimmin' pool

Where the L.A. sun can turn your brains

To scrambled eggs it's true

Some people get crazy

Some people get lazy

Some people get hazy

Some people get out

Take me away, I said, take me away

I don't wanna be like that

Take me away, I said, take me away

I said, I don't wanna be like that

Don't wanna be like that

Don't wanna be like that

Don't wanna be like that

Don't wanna be like that

Some people think that they know about some girls
Some people think they're cool
And some girls think that they know about me
Some girls think, I'm some fool
And American girls that put their tongue in your ear
When they talk on the telephone

And the stars only come out at night
When the press and photographers moan and groan
And the Playboy centerfold leaves me cold
And that ain't 'cause I'm a fag
So you playboys can just go play with yourself
That's your style 'cause that's a drag

You get crazy, lazy, you get hazy
Just wanna get
Just wanna get out, hey

Take me away I said, take me away
I don't wanna be like that
Hey, hey take me away I said, take me away
I don't wanna be like that

Yeah, hey take me away, I said, take me away
I said, I don't wanna be like that
Take me away, I said, take me away
I said, I don't wanna be like that
Don't wanna be like that
Don't wanna be like that
Don't wanna be like that
Don't wanna be like that
