[Joe] Nick... beat.

[Nick] Nah.

[Joe] Beat... I need a beat to rap with. Come on.

[Radio interviewer] At least he was nice about it: "Nick, beat, now! Do it!"

[Nick beat boxes a little] See, I can't do a beat. That was bad.

[Joe] Fine, I'll do it myself

Yo

Listen to me

I got two feet

Walkin' down the street

With my degree

Degree like 10

10 degrees

Freezin' outside

Need a jacket

Where can I go?

Gotta go to the store

And buy me a jacket

Gotta buy a nice medium jacket

Cause small is too small

But large is too large

Go to the car

Drive to... *sigh*

[Joe] Uhh... yeah that's...

[Everyone cheers]
