JOE:

unh unh unh unh unh

Kevin:

go Joe go Joe go Joe go Joe go Joe go Joe

JOE:

(makes noise)

Yo listen I'm Joe Jonas

I'm Your best friend

Open the fridge

Eat a chicken (wassup oh)

7/11 might be down the street

Beat boxing with my two feet, brand new beat

When I was born I walked out of the room I was

like(brrrp yo yo)

My mom was like yo that's crazy

And I was like Yeah I'm a baby (uhh)

Kevin:

My name's Mufasa I'm the king of the land

I'll come smack you with the back of my hand

(slaps hand)

Yo get out this is my song (my song)

Everybody where you at

Whole world behind us

Joe's friend:

Yo I'm behind him

Yo Check it out I'm behind him

Joe:

He's behind me

He's behind me

Yeah!!
