Joe Jonas:

I Love a girl in a whole another language
People look at us strange
Don't understand us, they try to change it
I try to tell her don't change

Talk love and they say it sounds crazy
Love's even more wild when you're angry
Don't understand why you wanna change it
(Girl, listen to me)

You're just running from the truth
But I'm scared of losing you
You are worth too much to lose
Baby, if you're still confused

Girl, I'm just in love with you
Girl, I'm just in love with you
No other words to use
I'm just in love with you
I'm just in love with you
Ohh yeah

Lil Wayne:

Ain't no love like the one I got
I'm a prisoner of love
Got my heart on lock
It's like a star from the sky
Fell by my side
& she tell me that it's mine
& I say that's fine
& she look like a butterfly
Smell like a flower
Girl, we go together like
Money & power
& I don't need nothing
Nothing by her
'Cause all the mother fuckers
Ain't fucking with her
& the smile on her face
Make the world a better place
But she out of this world

So we somewhere out in space
Making love like animals
Planet of the apes
All night
All morning
Too bright for this place
Man, we just doing what we does
The tank on e
Yeah, just enough
& we just be, yeah, just because
Don't worry about me
I'm just in love
JOE

Joe Jonas:
When I tell you I would never leave you
Do you hear what I say?
Don't understand you
You say you need time
But you've been calling all day

Talk love and they say it sounds crazy
Love's even more wild when you're angry
I don't understand why you wanna change it
Girl, listen to me

Girl you're just running from the truth
And I'm scared of losing you
You are worth too much to lose (oh baby)
Baby if you're still confused

Girl, I'm just in love
Girl, I'm just in love with you
Do you hear what I said?
I'm just in love with you
Can nobody change it
No other words to use
I love you, baby!
I'm just in love with you (repeat)

Woooooah
Never knew what we have
They don't understand
We're just a waste of time
We know this is real
I don't know how you feel
When you put your hand in mine

Girl, I'm just in love with you
Girl, I'm just in love with you
No other words to use

I'm just in love with you
Let me say it again, let me say it again
I'm just in love with you (repeat)
