They say the beat of butterflies wings  
can set off a storm a world away  
What if they're right and the smallest of things  
can power the strongest hurricane

What if it all begins inside  
We'd hold the key that turns the tide

### CHORUS

Just a pebble in the water  
(ooh)  
Can set the sea in motion (ooh)  
A simple act of kindness  
(ooh)  
Can stir the widest ocean  
If we show a little love  
(oh a little love)  
Heaven knows what we could change  
oh yeah  
so throw a pebble in the water and make a wave  
make a wave  
make a wave  
make a wave

The single joys to take a stand  
Reach out your hand to someone in need  
(help somebody)  
Don't fool yourself and say you can't  
You never know what can grow (what can grow)  
from just one sea

yeahhh  
So come with me and seize the day  
this world may never be the same

### CHORUS

Just a pebble in the water  
(just a pebble in the water)

Can set the sea in motion  
(can set the sea in motion)  
A simple act of kindness

(ohh)  
Can stir the widest ocean  
(can stir the widest ocean)  
If we show a little love  
(if we show a little love)  
Heaven knows what we could change  
(heaven knows what we could change )  
So throw a pebble in the water  
(throw a pebble in the water)  
make a wave  
make a wave  
make a wave  
yea yea yea yea yeahhh  
make a wave  
make a wave  
make a wave

Show a little love and make a wave  
seize the day yea

Make a wave

Heaven knows what we could change  
(ohhh)  
So let's show a little love and then we'll know  
what we could change  
So throw a pebble in the water  
mmmmmm  
Make a wave  
Make a wave  
oh woah  
ooohhhhhhhh
