my giant tongue wouldn't stop growing  
a ghost stole our life savings  
stand aside, my bum's five foot wide  
my mate boiled my willy

i'm so fat i broke the toilet  
six toilets actually  
i fell for a sexy robot  
i paint with my boobies

my psychic dog has healing powers  
there's a time lord in my loo  
mosquitos made me pregnant (mm so pregnant)  
i fart on men's faces for money (oh yeah.. come on  
guys)

i'm so fat i broke the toilet  
six toilets actually  
i fell for a sexy robot  
i paint with my boobies

with my boobies, yeah.
