Oh, where I go, trouble starts  
I'm not compatible with my heart  
Oh oh  
I could impress, too strong for you  
That's the one thing I don't wanna do

Well maybe that's where my heart lies  
It is something I have to tame  
Trouble follows this bag of bones  
And Lucio is my middle name

Sorry for thinking  
That we were friends,  
But loyalties come and loyalties go  
Isn't that so?  
And sorry for thinking  
Or assuming that we could be friends  
But, loyalties come, oh oh  
And loyalties go  
Isn't that so?

Ah ah ah ah - I don't know  
But but but but but but but but

Where I go trouble seems to ignite  
It's not from me, it's not from my mind, oh  
I could impress, too strong for you  
That's the one thing I don't wanna do to you

Well maybe that's where my heart lies  
And it is something I have to tame  
Trouble follows this bag of bones  
And Lucio is my middle name!

Ah, I'm sorry for thinking  
That we were friends  
But loyalties come and loyalties go  
Isn't that so?  
But sorry for thinking or assuming that we could be  
friends  
But loyalties come, oh oh  
And loyalties go, oh oh

And loyalties go  
Isn't that so?  
Yeah
