Can't find you baby  
Out of my reach darling  
Thoughts can't confuse my confusion  
But I need you

Still looking for you rose, I can't find you rose  
Still looking for you rose, you know I can't find you rose

Can't find you baby, yeah  
Maybe I'm looking in the wrong place,  
Thoughts can't confuse my confusion  
But I need you

Nothing has dulled my darling  
But I feel that I am weak  
Weak for your strength  
Oh nothing has dulled my darling  
But I feel that I am weak  
Weak for you

You yeah baby it's you, sha la la la  
You are the one that I choose  
With those eyes of azure blue  
I just can't help being in love with you girl

Nothing has dulled my darling  
But I feel that I am weak  
Weak for your strength  
Oh nothing has dulled my darling  
But I feel that I am weak  
Weak for you

You yeah baby it's you, sha la la la  
You are the one that I choose  
With those eyes of azure blue  
I just can't help being, can't help being,  
Can't help being in love with you, oh yeah
