Take me in your arms and never let me go  
Whisper to me softly while the moon is low  
Hold me close and tell me what I want to know  
Say it to me gently, let the sweet talk flow  
Come a little closer, make love to me

Kiss me once again before we say goodnight  
Take me in your loving arms and squeeze me tight  
Put me in a mood so I can dream all night  
Everybody's sleeping so it's quite all right  
Come a little closer, make love to me

When you're near, so help me, dear  
Chills run up my spine  
Don't you know I love you so?  
I won't be happy till you're mine, oh, mine

When I'm in your arms, you give my heart a treat  
Everything about you is so doggone sweet  
Every time we kiss you make my life complete  
Baby doll, you know, you sweep me off my feet  
Come a little closer, make love to me

I won't be happy till you're mine, oh, mine  
When I'm in your arms, you give my heart a treat  
Everything about you is so doggone sweet  
Every time we kiss you make my life complete  
Baby doll, you know, you sweep me off my feet  
Now's the time to tell you, "Make love to me"
