Just a small town girl
Livin' in a lonely world
She took the midnight train goin' anywhere
Just a city boy
Born and raised in south Detroit
He took the midnight train goin' anywhere

sittin in a small game room
smell a wine an cheap perfume
for a smile they can share the night
it goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Don't stop believin'
Hold on to that feelin'
Streetlight people ohhhhhhhh
A singer in a smoky room
A smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night....ooooohhh

Don't stop believin'
Hold on to that feelin'
Streetlight people oooooooooohhhhhhhh

Don't stop believin'
Hold on to that feelin'
Streetlight people goin on and on and on and on
