I can almost see it, that dream I'm dreaming
But there's a voice inside my head saying you'll never
reach it
Every step I'm taking, every move I make feels
Lost with no direction, my faith is shaken

But I, I gotta keep trying
Gotta keep my head held high

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose

Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

The struggles I'm facing, the chances I'm taking
Sometimes might knock me down but no, I'm not
breaking
I may not know it, but these are the moments
That I'm going to remember most, yeah, just gotta
keep going

And I, I gotta be strong
Just keep pushing on 'cause

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose

Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb, yeah, yeah

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose

Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna to have to lose

Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb
