Don't ruin it for the rest of us  
And with your braggin that you fell in love  
Can't you see we're kinda busy here  
Swappin lies and cryin' in our beers  
So you're gettin' married good for you  
It's first innin' braves are down by two  
Grab a seat and keep your big mouth shut  
And don't ruin it for the rest of us

I hardly recognized you  
With that smile on your face  
Your shirt's tucked in, you shaved your chin  
And every hair's in place  
You smell a whole lot better  
Than anybody in this bar  
Here's a dollar, buy yourself a cheap cigar

Don't ruin it for the rest of us  
And with your braggin that you fell in love  
Can't you see we're kinda busy here  
Swappin' lies and cryin' in our beers  
So you're gettin' married good for you  
It's third innin' braves are down by two  
Grab a seat and keep your big mouth shut  
And don't ruin it for the rest of us

You missed the bowling season  
Butch blew a perfect game  
And when we got the new shirts printed up  
There was an I in shooter's name  
Well Ronnie's back to walkin  
He got another DUI  
So if you plan on gettin out of here alive

Don't ruin it for the rest of us  
With your braggin' that you fell in love  
Can't you see we're kinda busy here  
Swappin' lies and cryin' in our beers  
So you're gettin' married good for you  
Its sixth innin' braves are down by two  
And grab a seat and keep your big mouth shut  
And don't ruin it for the rest of us

So you're gettin' married good for you  
It's ninth innin' we're about to lose  
I told you twice to keep your pie hole shut  
And don't ruin it for the rest of us  
Can't you see that we've been through enough  
And don't ruin it for the rest of us  
Can't you see that we've been through enough  
And don't ruin it for the rest of us
