Ever since I met you I've been kinda
Gettin' use to the way you hold me tight
I quit all my runnin' around and all the my silly games
That I play every night

It never was my plan
To be a one woman man

But I'm not that kind of guy
That ain't never been my cup of tea
I'm not that kind of guy
But somethin' about you keeps tellin' me
That I'm gonna be

I bent over backwards all my life
To keep a ring off my hand, just be one of the boys
All I ever wanted to be was a rodeo man
And just make some noise

It never was my plan
To be a one woman man

But I'm not that kind of guy
That ain't never been my cup of tea
I'm not that kind of guy
But somethin' about you keeps tellin' me
That I'm gonna be

But I'm not that kind of guy
That ain't never been my cup of tea
I'm not that kind of guy
Somethin' about you keeps tellin' me
I'm gonna be

Somethin' about you keeps tellin' me
I'm gonna be
