I was sittin' outside in the front yard  
Lawn chair, kiddie pool, just soakin' up the sun  
Old man walks by and said  
We got this thing called ambition  
Why don't you buy a suit  
And go get you some

Chorus

Like he ain't got enough of his own business  
Now he's got to go mindin' mine  
Opportunity knocks and I miss it  
It ain't no crime  
It ain't no crime  
If I wanna kick back and kill a little time  
It ain't no crime

I was gettin' some pink in my color  
Next door lady says, why you always layin' 'round  
Fine you man like you  
Should be married with some children  
Instead of all those honeys  
Running in and out

Chorus

Like she ain't got enough of her own business  
Now she's got to go mindin' mine  
I don't have a lot of kids and a Mrs.  
It ain't no crime, it ain't no crime  
If I wanna kick back and steal a kiss some time  
It ain't no crime

If everybody minded their own business  
They'd be too busy to worry 'bout mine  
If I live life the way I wanna live it  
It ain't no crime, it ain't no crime  
If I wanna kick back and chill or steal  
A kiss from a girl, I will every time  
It ain't no crime  
It ain't no crime  
It ain't no crime
