(Verse)

A yellow two piece, black Ray Bans
Your bare feet, covered in sand
White jet trails, across the blue sky
Your pony tail showing off the sunshine
Like a postcard, out of nowhere
You get to me, you give me that smile and

(Chorus)

I'm somewhere, somewhere sunny and 75
You and me on a beach chair
Yeah, I'm so there every time I look in your eyes
Kissing you in the salt air
I can taste it, I swear
Take me somewhere sunny and 75

(Verse)

It doesn't take much, for you to move me
Just the way you're leaning in to me
It's a holiday, when we're together
I wanna stay with you forever

(Chorus)

Somewhere, somewhere sunny and 75
You and me on a beach chair
Yeah, I'm so there every time I look in your eyes
Kissing you in the salt air
I can taste it, I swear
Take me somewhere sunny and 75

(Bridge)

You're like the fast lane West bound
You feel like a window's rolled down
I can't wait until we get there, somewhere

(Chorus)

Somewhere sunny and 75
You and me on a beach chair
Yeah, I'm so there every time I look in your eyes
Kissing you in the salt air
I can taste it, I swear

Take me somewhere sunny and 75
Sunny and 75
