She caught me at home without the lights on
Ten minutes more and I'd of been gone
Out somewhere painting the town
Since you're here face to face

You've got a few things you want to set straight
On all of the rumors you say I've been spreading
around

Yeah, I said I'm glad it's over, to tell you the truth
If you haven't found somebody new, I hope you do
I said, I didn't miss you at all, I never waited for you to
call
And I never cried but to tell you the truth, I lied

Well, I can't deny
But baby, I tried to put you down just to cover my pride
After all, I've said I guess we're done
If I had it to do all over again

Before I'd break, I'd be willing to bend
One second chance girl, you'd be second to none

Yeah, I said I'm glad it's over, to tell you the truth
If you haven't found somebody new, I hope you do
I said I didn't miss you at all, I never waited for you to
call
And I never cried but to tell you the truth, I lied

I said, I didn't miss you at all, I never waited for you to
call
And I never cried but to tell you the truth, I lied
