What's a guy gotta do to get a girl in this town?  
Don't wanna be alone when the sun goes down  
Just a sweet little somethin' to put my arms around  
What's a guy gotta do to get a girl in this town?

Well ask anybody I'm a pretty good guy  
And the looks decent wagon didn't pass me by  
There ain't nothin' in my past that I'm tryin' hard to hide  
And I don't understand why I gotta wonder why?

What's a guy gotta do to get a girl in this town?  
Don't wanna be alone when the sun goes down  
Just a sweet little somethin' to put my arms around  
What's a guy gotta do to get a girl in this town?

Cruise all around the right parking lots  
Little time gets killed alotta bull gets shot  
One who'll think I'm kinda cute and laugh at every joke I  
got  
When I get to thinking maybe she's athinkin maybe not

What's a guy gotta do to get a girl in this town?  
Don't wanna be alone when the sun goes down  
Just a sweet little somethin to put my arms around  
What's a guy gotta do to get a girl in this town?

Had an old man tell me "Boy if you were smart"  
You'd hit the produce isle at the super walmart"  
So I bumped into a pretty girl's shopping cart  
But all I did was break her eggs and bruise her  
artichoke hearts

What's a guy gotta do to get a girl in this town?  
Don't wanna be alone when the sun goes down  
Just a sweet little somethin to put my arms around  
What's a guy gotta do to get a girl in this town?  
What's a guy gotta do to get a girl in this town?
