Verse 1:

While you wait,  
You might have to stand in the rain.  
While you wait,  
There may be some heartache and pain.

Chorus 1:

While you're waiting for your promises  
To be fulfilled in your life,  
Remember God is not late,  
So just praise Him while you wait, wait.

Verse 2:

While you wait,  
Your friends may not stay by your side.  
While you wait,  
Your eyes may ache from the tears you've cried.

Chorus 1

Bridge:

Weeping may endure for a night,  
But joy comes with the morning light.  
God's never late,  
So praise Him while you wait,  
While you wait.

Verse 4:

While you wait,  
You can hold your head up high.  
While you wait,  
Know that very soon you will fly.

Chorus 2:

While your waiting for your promises  
To be fulfilled in your life,  
Remember God's never late,  
So just praise Him while;  
God's never late,  
So just praise Him while;  
God's never late,

So just praise Him while you wait,  
Wait, wait.

Ending:  
While you wait,  
Keep on believin',  
Keep on believin.
