Yes, do your will, yes, do your way
Yes, I will go, yes, I'll obey
So, whatever you desire to do in this house today

Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way

Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way

So, whatever you desire to do
So, whatever you desire to do
So, whatever you desire to do in this house today
