Moonshot, baby  
Moonshot, baby  
Moonshot, baby  
Moonshot, baby  
Moonshot, baby

Pega luna, Manny  
Prepara para papi  
Pega luna, Manny  
Brilla diamante

And the green wall's rising  
Like a killer in the sun  
If he doesn't judge the carom  
Then he's knocking in a run  
Every guy wants to be him  
And the ladies go crazy

Manny, hit me home with a moonshot, baby  
(Moonshot, baby)  
Pega luna, Manny

Manny, hit me home with a moonshot, baby  
(Moonshot, baby)  
Pega luna, Manny

Manny, hit me home with a moonshot, baby  
(Moonshot, baby)

Pega luna, Manny  
Prepara para papi  
Pega luna, Manny  
Brilla diamante

And the green wall's rising  
Like a killer in the sun  
If he doesn't judge the carom  
Then he's knocking in a run  
Every guy wants to be him  
And the ladies go crazy

Manny, hit me home with a moonshot, baby

(Moonshot, baby)  
Pega luna, Manny

Manny, hit me home with a moonshot, baby  
(Moonshot, baby)  
Pega luna, Manny

Manny, hit me home with a moonshot, baby  
(Moonshot, baby)
