It's so hot
looks like you have three beaks crow
the moon's so full
white hat on a pumpkin
you know there's something
the moon was a stone's throw
stop the show
I need to say hello
to the crow
light the fire piano
the moon showed up
and it started to show
tonight there'd be ice cream
ice cream for crow
ice cream for crow
sun cream by day
ice cream for crow
ice cream by night
ice cream by day
the sun ain't stable
ice cream for crow

crow pants the scarecrow

crow dance ah ho ho

crow dance ah panther

scare crow you answer

you can hee and haw

laugh and scratch

ha ha ha

ha ha ha

boss and toss

don't shake my hand

give me your claw

two tears in a haystack

scarecrow get back

tonight there's gonna be

a feather treatment

beneath the symbol

we'll all assemble

oh how we'll fly

oh how we'll tremble

cut the cake

we'll all get well

turn up the speakers

hop flop squawk

it's a keeper

ice cream for show

ice cream for crow

now now that's it

now you can go
