The clouds are full of wine
Not whiskey or rye
'n the sky is full of bluebrains,
Bluejays, mermaids
Bluebrains, bluejays, bluebirds, mermaids
bluejays, bluebirds, rainbows
'n the night is full of rhinestones,
Pinecones, telephones
'n the sky is full of rhinestones, pinecones, telephones
Wolfhows, milkcows
Shadows to some hows
'n the clouds are full of wine
Not whiskey or rye
'n the sky is full of bluebrains,
Baboons, rhinos, fools 'n buffoons
'n my eyes are full of bloodbones,
Snowcones, serenaders 'n sen-n-n-oritas
'n so on...
Melodies that go on, go on,
Go on, go on, go on, go on,
Go off, go off, go off, go off
