Who do you think you're fooling  
With these things you're doing  
You're gonna start a scandal  
burn that midnight candle  
Now who do you think you're fooling  
Honey it ain't me-oh, no!

You're as sweet as candy  
Just as cute as candy  
You don't think I know it  
But you sure do show it  
Now who do you think you're fooling  
Baby it ain't me-no!  
You don't understand girl  
you're living in a mans world  
You thought you couldn't stand me  
Now you try to brand me  
Now who do you think you're fooling  
Honey it ain't me  
Oh no it just ain't me No it can't be me Baby it ain't  
me oh no it just can't be...
