Around the corner, the wind blew back  
Follow the yellow brick road  
It ended up in black on black  
I was taught the gift of love

Smiling children painted joy  
Sunshine bright girl and boy  
Bag of tricks and candy sticks  
Peppermint kite for my toy

Yellow brick black on black  
Keep on walking and don't look back

I walked along happy and then came back  
I follow the yellow brick road  
Lost and found, I saw you down  
On the bound, off the bound

Taught against the love  
Yellow brick road took my load

Sunshine girl, sunshine girl  
Come to my abode 1, 2, 3, 4, 5 miles long  
Oh, I can't ever  
(So)  
Go wrong

Clouds were gray yesterday  
Down on my shoulder, it's time to play  
Yellow brick black on black  
Keep on walking and don't look back

Around the corner, the wind blew back  
Follow the yellow brick road  
It ended up in black on black  
I was taught the gift of love

Smiling children painted joy  
Sunshine bright girl and boy  
Bag of tricks and candy sticks  
Peppermint kite for my toy

Yellow brick black on black  
Keep on walking and don't look back  
I follow the yellow brick road
