(david hull)

Hey!.....woah, woah, woah, yeah!.....ow, yeah  
Well, well, well, well, well, yeah!.....well, yeah!.....hey  
Well, last night ya did it, last night ya said it  
Said to much baby, you crossed that line...all right  
I know you told me, well you told me that your sorry  
Well, just because your sorry, well it don't mean....all  
right

Them dirty, them dirty little things  
Honey, that you say  
Them dirty, them dirty little things  
You can't make 'em go away...yeah  
Them dirty, them dirty little things

Going, going round town, and i heard a rumor  
But, i know rumors can't hurt us the wrong way  
Might try to fool me, but i know better  
No ?????? can't hurt you, ohh, like the rhythm  
can....that's right

Them dirty, them dirty little things  
Honey, that you say  
Them dirty, them dirty little things  
You can't make 'em go away  
Them dirty, them dirty little things

And all them dirty little ?????? that you make  
Never get my gold, never rule my name  
And i never forgive ya, ??????????????....they tell me bout  
you  
I feel as though you started, take an add in the paper  
Just to tell everybody what a mean man i am....ha ha  
I tell yah how i ruin...oh...i better tell romance  
Put it back where it started...woo...in the trash can...ow

Them dirty, them dirty little things  
That you say  
Them dirty, them dirty little things  
You can't make 'em go away  
Them dirty, them dirty little things  
That i hear in back of you

Them dirty, them dirty little things  
Baby, i give back to ya  
Woo, yeah....woo woo, hey hey
