No limit to hold me,
I'm dying to be free.
No limit to hold me,
I'm dying to be free.

I wanna taste it
Don't have to like it
Your dream is never
A break you cant wait to see

No limit to hold me,
I'm dying to be free.
No limit to hold me,
I'm dying to be free.

Your heart is silenced
Can't find my way there
It's gonna find me
And give up on my disappear

(Yeah)
That spirit used to haunt me
(Yeah)
But now I faught to be free
(Yeah)
My only regret was the time I lost
It just took me too long, too long
Too long to see

(guitar solo)
(Yeah)
That spirit used to haunt me
(Yeah)
But now I faught to be free
(Yeah)
My only regret was the time I lost
It just took me too long, too long
Too long to see
No limit to hold me,
I'm dying to be free.
No limit to hold me,
I'm dying to be free.
