Hey, c'mon over and sit down  
You, gotta know that I'm knocked down  
Hey, Step On over on my gound  
I'm, feeling numb from my knees down

You, gotta hold on me  
you gotta hold on me  
You, gotta hold on me  
don't 'cha ever set me free

I'm, overcome by this sound  
I'm overrun by the walls you've torn down  
thanks, for turing me on to what you've found

You, gotta hold on me  
you gotta hold on me  
You, gotta hold on me  
don't 'cha ever set me free

It was love, the first time I saw you,  
It was love , the second I saw you,  
Third time, I had adored you  
Now I feel it everytime I see you

(guitar solo)

Hey, c'mon over and sit down  
You, gotta know that I'm knocked down  
Hey, Step On over on my gound  
I'm, feeling numb from my knees down

You, gotta hold on me  
you gotta hold on me  
You, gotta hold on me  
don't 'cha ever set me free

It was love, the first time I saw you,  
It was love , the second I saw you,  
Third time, I had adored you  
Now I feel it everytime I see you  
You, gotta hold on me  
you gotta hold on me  
You, gotta hold on me

don't 'cha ever set me free
