When you walk like an old man
Your gonna get treated like an old man
But when you walk like a young man
Your gonna get treated like a man

Arrogance
Arrogance
Ain't no substitute, for arrogance

Well, every time i walk down the street, you know
I gotta gleam in mind
I gotta click in my heal
Tell you how i feel, now you
Don't wanna mess with 'um
Don't wanna fight with a arrogant guy
Don't wanna fool around
Ohh, don't tell me that i

Arrogance
Arrogance
Ain't no substitute, for arrogance...ha ha

I gotta feel for a battle
I'll be squawking like a ??????, man
Ohh, you can't get nothing out, no
I'll take it anyway i can, yeah

Don't wanna mess with 'um
Don't wanna fight with a, arrogant guy
Don't wanna fool around
Fool, fool, fool around

Arrogance
I got a long time coming to ya
Arrogance
I got a long time invested in
Arrogance
Ain't gonna let nobody do me in
Arrogance
