Once in a while you got a dream to come true
Once in a while you get a rumor of you
I'm dying for you baby and your heaven's touch
Can't do without you cuz you're much too much

You think you're just turning the page
I gotta tell ya that you're shakin' my cage

Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage
Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage

Everybody feels like they got something to do
Drive around the corner into some place new
Oh, flows like a river cuz it can't be slowed
No room for heartaches it get a real fast loan

You think you're just turning the page
I gotta tell ya that you're shakin' my cage

Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage
Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage

I'm dying for you baby and your heaven's touch
My friends all tell me that you are much too much
They're all hoping, they can feel the crush
'Cause they all know I got a real crush

You think you're just turning the page
I gotta tell ya that you're shakin' my cage

Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage
Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage

Shakin' my cage, shakin' my cage
Shake shakin' shakin' my cage
Shakin' my cage, shakin' my cage

Shake shakin' shakin' my cage
