(joe perry)  
I've got too much sorrow  
I feel too much pain  
I won't see tomorrow  
If this stays the same  
You treat things so lightly  
You think it's a game  
With me it's a nightmare  
And the scenes never change

The mist is rising  
And i'm chilled to the bone  
The moon is still hiding  
I never felt so alone  
Forget about prices  
I don't want the gold  
I want no advices  
I just want you alone

Chorus:  
So here's a solution  
We'll try it today  
You're my salvation  
Just listen to me
