Give me something life
Give me something real
Give me something honest
that you dont have to steal

Coming down easy
Coming down slow
It makes the tuning
like engines in the snow

Just looking through your future
Just looking through your past
I dont think this feeling
Wasn't really feel so right

My mouth is selfish
My heart is dull
Coming down easy
Coming down slow

(Chorus)
We've still got a long way to go
We've still got a long way to go

Sometimes I feel like
Im dryin the whole world
Sometimes I'm so lost
I wish i didn't feel

Chorus

Oooh yeah!

SOLO

Give me something life
Give me something real
Give me something honest
that you dont have to steal

Chorus 2
We've still got a long way to go

We've still got a long way to goooooo, yeah!

We've still got a long way to go

We've still got a long way to go

(shouding)We've still got a long way to go!!!
