Wanna take a chance and dance before  
I got to leave alone  
One short song and she'll be gone  
I wish her off was on

Gotta try another way to get her  
To come around to me  
Wanna take a chance and dance before  
I got to leave alone

Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music, honey, do the talking

One more thing I've gotta say  
But I'll explain in a different way  
Gotta know I got an axe to grind  
I know you won't mind

In your eyes I see the sky, no question  
Hearts belong entwined  
One last thing is clear, the sea of love  
Is positively meant to be

Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music, honey, do the talking

Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music, son, do the talking

Wanna take a chance and dance before  
I got to leave alone  
One short song and she'll be gone  
I wish her off was on

Gotta try another way to get her  
To come around to me  
Wanna take a chance and dance before  
I got to leave alone

Let the music do the talking  
Let the music do the talking  
Let the music do the talking  
Let the music do the talking

Let the music do the talking  
Let the music do the talking  
Let the music, let the music do the talking  
Let the music do the talking

Let the music, honey, do the talking  
Let the music do the talking  
Let the music do the talking
