And IÃfÂçâ, -Â™ ve come to know the wish list of my  
father  
IÃfÂçâ, -Â™ ve come to know the shipwrecks where he  
wished  
IÃfÂçâ, -Â™ ve come to wish aloud  
Among the over-dressed crowd  
Come to witness now the sinking of the ship  
Throwing pennies from the sea top next to it

And IÃfÂçâ, -Â™ ve come to roam the forest past the  
village  
With a dozen lazy horses in my cart  
IÃfÂçâ, -Â™ ve come here to get high  
To do more than just get by  
IÃfÂçâ, -Â™ ve come to test the timbre of my heart  
Oh, IÃfÂçâ, -Â™ ve come to test the timbre of my heart

And IÃfÂçâ, -Â™ ve come to be untroubled in my  
seeking  
And IÃfÂçâ, -Â™ ve come to see that nothing is for  
naught  
IÃfÂçâ, -Â™ ve come to reach out blind  
To reach forward and behind  
For the more I seek the more IÃfÂçâ, -Â™ m sought  
Yeah, the more I seek the more IÃfÂçâ, -Â™ m sought

And IÃfÂçâ, -Â™ ve come to meet the sheriff and his  
posse  
To offer him the broadside of my jaw  
IÃfÂçâ, -Â™ ve come here to get broke  
Then maybe bum a smoke  
WeÃfÂçâ, -Â™ ll go drinking two towns over after all  
Oh, weÃfÂçâ, -Â™ ll go drinking two towns over after  
all

And IÃfÂçâ, -Â™ ve come to meet the legendary takers  
IÃfÂçâ, -Â™ ve only come to ask them for a lot  
Oh they say I come with less  
Than I should rightfully possess  
I say the more I buy the more IÃfÂçâ, -Â™ m bought  
And the more IÃfÂçâ, -Â™ m bought the less I cost

And IÃfÂçâ, ÑÂ™ ve come to take their servants and  
their surplus  
And IÃfÂçâ, ÑÂ™ ve come to take their raincoats and  
their speed  
IÃfÂçâ, ÑÂ™ ve come to get my fill  
To ransack and spill  
IÃfÂçâ, ÑÂ™ ve come to take the harvest for the seed  
IÃfÂçâ, ÑÂ™ ve come to take the harvest for the seed

And IÃfÂçâ, ÑÂ™ ve come to know the manger that you  
sleep in  
IÃfÂçâ, ÑÂ™ ve come to be the stranger that you keep  
IÃfÂçâ, ÑÂ™ ve come from down the road  
And my footsteps never slowed  
Before we met, I knew weÃfÂçâ, ÑÂ™ d meet  
Before we met, I knew weÃfÂçâ, ÑÂ™ d meet

And IÃfÂçâ, ÑÂ™ ve come here to ignore your cries and  
heartaches  
IÃfÂçâ, ÑÂ™ ve come to closely listen to you sing  
IÃfÂçâ, ÑÂ™ ve come here to insist  
That I leave here with a kiss  
IÃfÂçâ, ÑÂœve come to say exactly what I mean  
and I mean so many things

And youÃfÂçâ, ÑÂ™ ve come to know me stubborn as a  
butcher  
And youÃfÂçâ, ÑÂ™ ve come to know me thankless as  
a guest  
But will you recognize my face  
When gods awful grace  
Strips me of my jacket and my vest  
And reveals all the treasure in my chest
