Well the underground is crowded
Waiting on a train
Cinderella's high heel shoes
Got ruined by the rain

We can ride it out
We can ride it downtown

Well she tapped me on the shoulder
Said "let's go inside"
Cuz I've been looking all day long
For someplace good to hide

We can ride it out
We can ride it downtown

It's your party have it your little way
I'm just hitching for the ride
There's enough water on this rainy day
Cinderella don't you cry
Don't you cry

If you ever need me
You know I'll be right here
Waiting on the A-train
I'll be singing to you dear

(I'll be singing)
We can ride it out
We can ride it downtown

(I'll be singing)
We can ride it out
We can ride it downtown

(I'll be singing)
We can ride it out
We can ride it downtown

(Downtown)
(Gonna ride the A-train)

(Gonna ride the A-train)
(Gonna ride the A-train)
(Gonna ride it)
