Goin in, going all again, going all
your going down my friend
no use in trying
no use in fighting

Ah, you never win
who do you think your dealin wit?
ah, going up the lazy river
down apply today
rain is come down quicker
the waters making waves
think i, yes spit
who do you think your dealin' with
think you underestimate me alittle bit

ohh, waters breaking your shoulders
ohh yes, getting colder
oh your boat is sinkin over
you ain't going nowhere, noo
i bet you miss your ship
who'd you think you were dealing with
who'd you think you were dealing with
who'd you think you were dealing with
who'd you think you were dealing with
