I know a man they call Mr. Happy
He's always smilin there's nobody laughing
Living in a world where there ain't no pain
Living in a world where there ain't no pain
Everybody wants to be like Mr. Happy
Cause everybody wants to feel allright

Cause when you get to the end of the line
You might find the answers that you're looking for
The answers that you get are the ones that you can't
forget
Cause the past is set in stone
Or you can live in a hole lose your mind lose your soul
And forever lock the door
I gotta tell you what I'm lookin for

Ain't nobody right ain't nobody wrong
Mr. Happy keep smilin all night long
Trouble outta mind is outta sight
Everybody wants to be Mr. happy tonight

Everybody wants to be Mr. happy
Cause everybody wants to be all right
Throw yourself into the sea of desire
Set your weary soul on fire
You know you can be living in a world where there ain't
no pain
Living in a world where there ain't no pain
Everybody wants to be like Mr. Happy
Cause everybody wants to feel allright

Cause when you get to the end of the line
You might find the answers that you're looking for
The answers that you get are the ones that you can't
forget
Cause the past is set in stone
Or you can live in a hole lose your mind lose your soul
And forever lock the door
I gotta tell you what I'm lookin for

Ain't nobody right ain't nobody wrong
Mr. Happy keep smilin all night long

Trouble outta mind is outta sight
Everybody wants to be Mr. Happy tonight
