This is my way out
Only time will tell
If I've made the most of everything

Could I be so deep?
Barely off my seat.
Like a bird that cuts off it's own wings.

Like a rolling stone
Rolling far from home
How'd you get alone and why?

Is it not too late
To appreciate
The irony in fate when you die?

Don't keep it stuck in your head.
Let it all hang out.
Let it all hang out.

Don't keep it stuck in your head.
Let it all hang out.
Let it all hang out.

Looks like I'm relieved
Look who I've deceived
Looks like I'll be all right!

Could I be so smart?
It's tearing me apart,
Stuck inside alone another night.

Like a rolling stone
Rolling far from home
How'd you get alone and why?

Is it not too late
To appreciate
The irony in fate when you die?

Don't keep it stuck in your head.
Let it all hang out.

Let it all hang out.

Don't keep it stuck in your head.

Let it all hang out.

Let it all hang out.

(Guitar solo)

Like a rolling stone

Rolling far from home

How'd you get alone and why?

Is it not too late

To appreciate

The irony in fate when you die?

Don't keep it stuck in your head.

Let it all hang out.

Let it all hang out.

Don't keep it stuck in your head.

Let it all hang out.

Let it all hang out.
